The Only Positively FIRE PROOF SAFES

IN THE WORLD ARE THE
MARLAND PATENT.
Certificates of approval, in comparison with other safe-makers,
Grafton, Dec. 21, 1858.

Messrs. Sherwin and Burgess, Agents for Marland's Patent Safe,
I have examined the Marland's patent safe in your store, and so far as I am able to judge of its fire proof qualities, I believe the principle upon which it is built, the most reliable in resisting heat, of any fire proof safe that has come under my observation, and particularly commend it to the attention of our Probate Districts that are now supplying themselves for the preservation of their records.

BRISTOL, Vt., Dec. 21, 1858.—This is to certify that we have examined the Marland's Patent Fire Proof Safe, exhibited to us by Mr. Anson Hardy, and that in our opinion, Marland's Safe would be a desirable one to purchase for the use of the Probate Courts.

R. T. LEE, Judge of Probate.
Middlebury, April 27th, 1859.—The Legislature of Vermont at its last session passed a law making it the duty of County Judges to procure Fire Proof Safes, in which to deposit Probate Records. In discharge of that duty we have spent some time in examining a number of Safes we have come to the conclusion that the Marland Safe manufactured by M. B. Bigelow & Anson Hardy of Boston, Mass., is superior to any other we have examined for its fire proof qualities. We have bought a safe of that description for the New Haven Probate District, and are well satisfied with its workmanship, apparent strength and durability.

**GREATEST IMPROVEMENT
OF THE AGE.**

THE GOOD SAMARITAN!

Ahead of all Competition!
5400 of them manufactured last year—more than double the number of any other first class stove in one year, in the United States.

THEY contain all the improvements which are in all the first class stoves, and the advantages and improvements over other stoves are in part as follows:

1st. The arrangement for broiling on the front hearth, an improvement overlooked in other first class stoves. It has also the same arrangement for broiling on top.

2d. A thorough ventilation of the fire chamber, thereby increasing the draught of the stove, quickening its operations, and enabling it to throw out more heat—matter much and justly complained of in other stoves.

3d. An important improvement in the application of the damper, which throws the heat around the oven.

4th. Much greater weight, consequently heavier plates, and more durable as well as handsomer castings.

5th. A draft damper at each end of the fire box, so that the fire is regulated, and one grate will heat as quick as the other, also heating the oven in half the time.

6th. Fire back protected by cast-iron, so it cannot burn out.

In addition to the above improvements, it has all that is combined in other first class stoves, viz.—Hot water Reservoir, Warming Closet, Roaster in front, Baker on top, Doors lined with best Russia Iron, &c. &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner.

All who want a first class Stove, should never buy until they call and see the Good Samaritan, as they have in every instance given satisfaction.

I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying.
I have also as full an assortment of Common Stoves on hand as any other dealer in Washington County, and sell as low as any one in the State.

Great Remedy for Coughs, Colds and Kidney Difficulties. WHITE PINE COMPOUND, PREPARED BY DR. J. W. POLAND & CO., GROFSTOWN CENTRE, N. H.

THE following testimonials will tell something about the medicine that is now becoming popular faster than any other article sold by druggists—

Rev. J. K. Chase, of Ramsey, N. H., under date of April 4th, 1860 says:—“When your favor, two bottles of White Pine Compound, were procured, I was suffering from a most severe cold. I took the Compound, and was able to preach in two days. * * * I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it.”

Rev. L. C. Stevens, Pastor of the Baptist Church at Grofstown Centre, in a letter dated Feb. 1860, says:—“Some of my family have tried it, (the Compound,) with signal success. I believe it to be one of the best Cough Remedies ever prepared. Besides its value as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Diets.”

Mr. Asa Goodwin, of Bow, N. H., writes, published by the District, in March, 1859, that neither himself nor any who knew him thought that he could possibly live through the month. As a last resort, he thought he would try the White Pine Compound. They procured a bottle for him; he began to take it, and to the surprise of all, he immediately showed signs of amendment. Eleven months afterwards, (Feb. 23, 1860) in a full statement of his case, he says:—“I believe Dr. Poland's White Pine Compound, under God, has been the means of my recovery.”

Hundreds of cases of Kidney complaints, cured by taking the White Pine Compound, have been reported by druggists. Here are two samples:—

An aged man in Danvers, Mass., found of the Compound, as a wonderful cure for kidney complaints, being a great sufferer from that difficulty, he sent to the Apothecary for two bottles. They cured him. He said they were worth fifty dollars. He has since sold about many bottles of it.

The second case was that of a business man, in Salem, Mass. He was also cured of the same complaint. Afterwards he went to Minnesota. The great fall, as of his journey brought on a return of his former difficulty, and he was in a most miserable condition. He was compelled to read all the way to Salem to have it forwarded by express.

July, 1860. DR. POLAND.—Mr. J. C. Butterfield, Jr., who sells your Medicine, has requested me to give a brief statement of what your White Pine Compound has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a bad cough of ten years standing, which caused me to spit blood frequently. No one of my acquaintances expected that I should ever get my health again. But two bottles of your White Pine Compound have cured me of both the Cough and the Kidney Complaint.

I would also state, that a lady, a neighbor of ours, was so badly afflicted with a cough, that she was up all night long enough to have her bed made, and we all thought she was going in a quick consumption. She took a bottle of your Compound, and it cured her. She is just as well now as she ever was. STEPHEN BARTLETT, Grofstown, N. H.

“DR. POLAND—I wish to bear my testimony to the value of your White Pine Compound. You will remember how feeble I was at the time I called upon you, in July last. My chief complaint was inflammation of the kidneys. In addition to other disagreeable symptoms, I suffered dreadfully from severe pain. You sold me a bottle of the White Pine Compound, and before I had taken two thirds of the contents of that bottle, my pain had left me. Though I had been afflicted with that complaint a long time, I have not had a return of it since, and have for many months enjoyed excellent health. Yours truly, B. F. ALLEN.”
